**NeighborWorks® Green Bay House Move**

(Green Bay) NeighborWorks® Green Bay will be moving the brick home located at 725 N. Webster Street to the lot at 1113 Day Street. The move will begin late Tuesday evening and continue through early Wednesday morning (May 20). Following the move, the house will be renovated and sold to an owner-occupant. This is the third of four projects NeighborWorks® has or will complete in the 1100 block of Day Street.

Moving a home may seem like a difficult task, but it is one that NeighborWorks® has completed many times. The house at 322 S. Jackson Street was moved to that location a few years ago and was completely rehabilitated. This home has the remarkable characteristics that are typical for older homes in Green Bay and in the Navarino Neighborhood.

Since January of 2000, NeighborWorks® Green Bay has constructed or renovated 75 dwelling units. In this same period they have educated and counseled more than 2,700 aspiring home buyers and existing homeowners. NeighborWorks Green Bay has helped 1,300 families achieve their dreams of homeownership through their loan programs. In total, since the year 2000, through their housing development and homeownership programs, they have leveraged \$129 million of direct investment in Green Bay's Original Neighborhoods.

Continued Press Release September 8, 2008

NeighborWorks<sup>®</sup> Green Bay is a not-for-profit corporation governed by a volunteer Board of Directors selected from the neighborhoods where they work to make a difference. These efforts to strengthen neighborhoods and transform lives require the hard work and creativity of neighborhood residents, volunteers, lenders, Realtors, government officials and staff, local business, and area philanthropists.
