**Immediate Openings! If you are looking for high quality apartments, look no further. For application information contact Nelson-Minahan Realtors, Inc. at (920) 432-7176.**

NeighborWorks® Green Bay, the same agency you may know for rehabilitating homes and helping homebuyers, has apartments available for rent.

NeighborWorks® Green Bay has 1, 2, and 3-bedroom apartments available to families and individuals. Many of our rental housing units include project-based rental assistance vouchers, so qualifying tenants only pay about one-third of their income on housing expenses.

We are experienced in coordinating with social workers and case managers and we welcome persons with special housing needs. If you or your clients are looking for high-quality rental housing, look no further.
