Homebuyer Preparation for FHLB Down Payment Plus Fee:

Federal Home Loan Bank (FHLB) – Chicago DPP	\$500
---	-------

* For the 2020 round of Down Payment Plus (DPP), our homebuyer education and counseling meet the National Industry Standards grant requirement. This fee is an 'all-in' cost of \$500 to the Buyer. We will be netting the cost of the class from \$500 depending upon the education cost incurred by the Buyer. The net cost will be reflected on the invoice sent to the lender. If DPP is paired with the Employer Assisted HomeOwnership Loan (EAH), the same "all-in" cost applies. For example; if a buyer takes our \$50 in-person class (paid up front by Buyer) and qualifies for DPP, our invoice will show \$450 remaining due at closing. If the buyer takes the \$125 online e-home class, the invoice will reflect \$375.
